

## Dear Liberty High School Community Members,

Whether you're an alum, faculty, student, parent or friend of Liberty High School, you've experienced Liberty High School music in one way or another over the years. Although the success of this storied program has been shared all over the United States and across the pond in England, our music is most shared and enjoyed here at home in the Bethlehem community. As a valued member of the Bethlehem and Liberty High School communities, we invite you to join the Liberty High School Grenadier Band and Orchestra Parent Club (LHSGB&OPC) efforts to raise funds in support of the LHS instrumental and choral programs.

The LHSGB&OPC was established in 1938 to create and maintain an enthusiastic interest in the program, to provide resources and financial support for a successful program, to promote fellowship, and to promote the program to the community. Our club, which is now a 501(c)3 non-profit organization, relies on the amazing dedication of our instrumental directors, parent volunteers and independent and business sponsor donations.

**This school year, the LHSGB&OPC have set an ambitious goal of raising over \$75,000 to support student scholarships for musical performance trips, the purchase of new instruments and equipment, and guest clinicians.**

Every several years, students of the Liberty High School Music Department have the opportunity to participate in the highly anticipated Band, Orchestra & Choir performance trip. In January 2025, students from all three ensembles will be traveling to Florida to perform in Universal Studios and Disney's Magic Kingdom. As we look down the road to 2026, the Grenadier Band will be returning to London, England to participate in London Band Week! With the ever-increasing cost of travel, the LHSGB&OPC is aiming to help lower the cost of this trip so that all students may experience this opportunity. Again, our goal is to give all students this exciting once-in-a-lifetime opportunity.

In addition to our exciting travel opportunities, the need for new instruments, and the upkeep of existing instruments, is an ever-present challenge for an organization the size of ours. As students become more developed players during their transition from middle school to high school, their instrumental needs develop with them. It becomes essential to have these instruments ready for them at the high school level, to bridge those gaps without interruption to their musical journey. Your community support would enable us to provide the inventory needed to ensure quality instruments are in every student's hands.

Please help us continue Liberty High School's great tradition of music by supporting the efforts to raise funds for the students of the Grenadier Band, Orchestra and Chorus. A gift of any size celebrates this tradition of excellence, while sponsorships of certain levels will recognize your name, class, club, or business, too!

"In the future as the past, we'll be loyal to the last"

Sincerely,

Allen Frank  
Director of Instrumental Music

Jacqui Fortsch  
President, LHSGB&OPC

## *(Excerpt from Liberty High School's May 1923 Dedication Book)*

Music is the most universally appealing of all arts. It is one of the most powerful socializing factors. Feelings of goodwill and comradeship are developed more quickly through music than any other art medium. Music is potentially great in refining and uplifting of man. Under its influence, man is able to rise above the commonplace to the heights of imagination. Music is a universal language. It appeals to people of every nation. No other art so completely influences the individual, the home, the community and the nation as music.
