Greetings!

I am extremely proud to bring special greetings from the people of Bethlehem, the Christmas City of the U.S.A., to the gracious people of St. Petersburg, the Sun City.

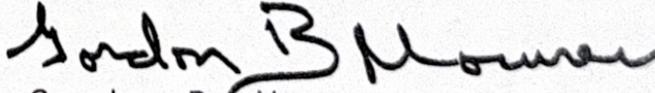

As a former member of the Liberty High School Grenadier Band, it is a special thrill for me to be able to personally join this outstanding band here in St. Petersburg as they participate for the third time in the Festival of States.

We are proud that the Governor of the Commonwealth of Pennsylvania has again designated the Liberty High School Grenadier Band to be his official state high school band. They are returning to St. Petersburg not only to the challenge of competition, but also to the goodwill and hospitality of all of you who have been so overwhelmingly kind to them during their past visits. The 240 band members who represent Bethlehem exemplify the enthusiasm our community demonstrates continually in the field of music.

The glowing reports left little doubt that the Grenadiers love St. Petersburg and I would like to personally thank you for your gracious reception for our young people.

We wish our Grenadiers well and are looking forward to another wonderful stay in your beautiful community.

In God We Trust,

Gordon B. Mowrer
Mayor

Bethlehem, Pennsylvania

A Christmas candle in every window remains a 20th century reminder of the thoughts of those who named Bethlehem on Christmas Eve in 1741. From the singing of hymns in the first log house, to the first community orchestra in 1744, to the present emphasis on music in its public schools, Bethlehem has always placed good music high on the list of human enjoyments.

With a population of over 75,000 Bethlehem is located in the heart of the Lehigh Valley. Philadelphia lies 50 miles to the south, and New York City, 90 miles to the east. One-third of the entire population of the United States is contained within 300 miles of the Lehigh Valley.

Bethlehem's Industry, Religion, Music, and Recreation are symbolized in the five points of the "star", Bethlehem's official seal. These endeavors reflect the sense of accomplishment of her citizens. The City is the home of the Bethlehem Steel Corporation, Lehigh University, Moravian College, and the renowned Bethlehem Bach Choir.
