2. MOORSIDE MARCH *G. Holst*

Gustav Holst was one of the first prominent orchestral composers to also write for concert band. His works endure as cornerstones in today's band literature. Holst wrote "Moorside March" in 1928, late in his career, as his health rapidly deteriorated — difficult to imagine as we hear "Moorside's" bold, energetic style.

3. MARINES HYMN FROM "APOTHEOSIS" *S. Nestico*

Each November, 30 L.H.S.G.B. members are privileged to perform ceremonial music for the U.S. Marine Corps' Birthday Ball in Hellertown. We send this one to our friends of the Marine Reserve Motor Maintenance Team of Bethlehem, as well as all of the troops in and returning from the Persian Gulf.
